## 3D RENDERING SERVICES - OVERVIEW

---

### Description of Services

Paper Fox Collective offers a variety of photo-realistic three dimensional rendering services that are optimized to fit an assortment of project scopes. Below are the list of the base services provided, as well as additive services that can be combined with the selection of a base service.

#### BASE SERVICES

**Model Creation - Exterior:** includes the exterior creation of a residence along with existing on-site terrain. Service deliverables consist of one 1080p 3D walk through video and two 4K photo-realistic images of the residence.

**Model Creation - Interior:** includes the interior creation of a residence along with full interior furnishings. Service deliverables consist of one 1080p 3D walk through video and two 4K photo-realistic images of the residence.

#### ADDITIVE SERVICES (base service required)

**360 Photo Set - Exterior:** includes a set of photo-realistic 360 exterior images that have the ability to rotate 360 degrees from where the image location has been oriented. This technology is similar to the street view that is common to most online map services. The image set will be viewable via an online link that can be accessed through the use of a laptop or smartphone.

**3D Floor Plans:** includes a plan set of fully colored and 3D rendered plan view images of each residential floor plan. Floor plans can be offered with or without furniture and furnishings.

**VR Model - Web Explorer:** includes an interactive 3D model where the user is allowed to explore the residence via simplistic keyboard commands (directional arrows, mouse). The virtual model will be hosted by Paper Fox Collective, and available via an online web link.

**Website Hosting + Cloud Link:** includes a custom web page that will be an extension of [paperfoxcollective.com/](http://paperfoxcollective.com/). The web page will be designed and configured to showcase all 3D services that are within the scope of work, along with a short description of the project.

If there are any questions regarding the scope of each service, please do not hesitate to ask.

Kind Regards,
